

SAN LUIS OBISPO COUNTY AIR POLLUTION CONTROL DISTRICT

RULE 206 - CONDITIONAL APPROVAL

(Adopted 8/2/76; Revised 11/13/84 and 11/5/91)

The Air Pollution Control Officer may issue an Authority to Construct or Permit to Operate, subject to conditions which will insure the compliance of any machine, article, equipment, or other contrivance within the standards of Rule 204, including, but not limited to, emission limits on an annual basis or any other appropriate period of time, in which case the conditions shall be specified in writing. Commencing operation under such a Permit to Operate shall be deemed acceptance of all conditions so specified. The Air Pollution Control Officer shall issue a Permit to Operate with revised conditions upon receipt of a new application, if the applicant demonstrates that the article, machine, equipment or other contrivances can operate within the standards of Rule 204 under the revised conditions. Construction or operation of any emission unit in violation of the conditions of the Authority to Construct or Permit to Operate is prohibited and shall constitute a violation of these District Rules and Regulations.
